

AFRICA TO SILICON VALLEY

CERTIFICATE

OF COMPLETION

PROUDLY PRESENTED TO

Emran Kamil

A2SV's 2024 First Year Education Program offers 1,000+ hours of rigorous training in Data Structures, Algorithms, and advanced problem-solving. The program also sharpens essential soft skills -- communication, time management, and collaboration -- Successfully completing this program and passing A2SV's demanding technical interviews demonstrate readiness to contribute at the highest levels of the industry.

With 60+ offers from leading global tech firms, A2SV's program, backed by Google, consistently produces top-tier engineering talent. This certificate affirms readiness to contribute at the level expected by the world's top tech firms.
